PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE. PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 12th December 1949.

Certain alarming reports have appeared in the Press, saying that the Police had to open fire in Mandya on 11th December 1949 to disperse the workers of the Mandya Sugar Factory who have been on strike. In order to remove misconceptions in the matter, Government wish definitely and categorically to state that there was no Police firing at all. The facts of the case are as follows :—

Contrary to the provision of an order under Section 39 of the Mysore Police Act, on the morning of the 11th December, three groups of workers intent on converging on the Labour Association of the Sugar Factory began to move from three different directions in procession, *viz.*, one from the Guthalu Colony, the second from the L. and M type quarters, and the third from the Mysugar High School side. These were headed by women and other non-workers. Immediately, local and the Provincial Armed Reserve Police were posted at important points to prevent those groups from advancing further and creating trouble. When stopped by the Police and advised to disperse they refused to do so. By 9-30 A.M. the crowds got unruly and began to pelt stones on the police. The District Superintendent of Police and the *Ex-Officio* First Class Magistrate were present and advised the crowds at various times to disperse peacefully. There was no sign of dispersing and the crowds began to move towards the Labour Association first and then all the three joined and rushed towards the time office gate with a view to enter the factory. The whole mob became more unruly and resorted to violence again by breaking the branches from trees nearby and pelting stones at the staff on duty. In spite of warnings through a megaphone by the *Ex-officio* First Class Magistrate to disperse, the mob rushed and the Magistrate ordered the use of tear gas; as this had no effect, he had to order the use of tear gas again and a mild lathi charge. Thereupon the mob turned round and proceeded towards the Labour Association. The Magistrate had to order another mild lathi charge and the use of tear gas. In all, tear gas had to be used on three occasions and a mild lathi charge twice. The mob was finally pushed back and dispersed and police were posted all round. A cordon was put around the Guthalu Colony and the whole situation was brought under control by about 12 NOON. Reinforcements of Provincial Armed Reserve Police have been sent and the situation is perfectly under control since then. The factory is continuing to work as usual.

8 Attending to children to see to their cleanliness and nducting classes for children.

9 Arranging games, bhajanas, dramas, folk dance in the llages.

10 Cultivation of kitchen and fruit gardens and planting economic, fuel and other manure yielding trees.

Quite a large number of students were engaged in these cial service camps. The following is a brief report of work ne by the several organizations during the period in estion :—

1 *Adult Education Council.*—A very vigorous campaign of ral work by students has been carried on by the Council in hich over 500 students took part. Nearly 19 miles of village ads, 244 soak pits, and 13 compost pits were formed by them. eaning of drains and other measures to improve village nitation were a conspicuous feature of the work. Three ousand five hundred rupees nearly was collected towards ares of the multi-purpose co-operative societies. The total lue of work done is estimated at Rs. 39,500.

2 *The University Students' Social Organization.*—This ganization put nearly 150 students on the field in a group villages in Bangalore North Taluk. In addition to the her items of work, they constructed several furlongs of road nd assisted in building an Adikarnataka Colony. The total lue of work done by these students is roughly estimated at s. 1,000.

3 *Karnataka Provincial Students Congress.*—A band of bout 100 students worked in Dodballapur Centre area and mpleted about 6 furlongs of road. In addition, practically l the other items of work mentioned already were attended . The total value by this group is estimated to be Rs. 600.

survey of Gulur and Kaidala Villages in Tumkur District and the results of the survey are published in a every handy form.

5 *Sevadal.*—Special mention must be made of the work done by the Sevadal in Chitaldrug. With official and non-official assistance, it has done substantial village improvement work.

Government desire to express their appreciation of the work turned out by these organizations. Such a programme will not only improve the villager but the student himself, and will carry out in a practical way the principle of "Learning by doing" and the efforts of the leaders who inspired these students in their endeavours. Government are considering a scheme for harnessing the energy and e nthusiasm of our youth in a more systematic and profitable manner. It is hoped that students and elders alike will co-operate in this great task of Rural Development.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919 in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938 received from the Secretary to Government, Development Department.)
